

ALL ROUND 1

The All Round range are our most affordable tiles, but are not to be sneezed at with a FIBA & ITF Approved option! These tiles provide excellent quality, support and endurance.

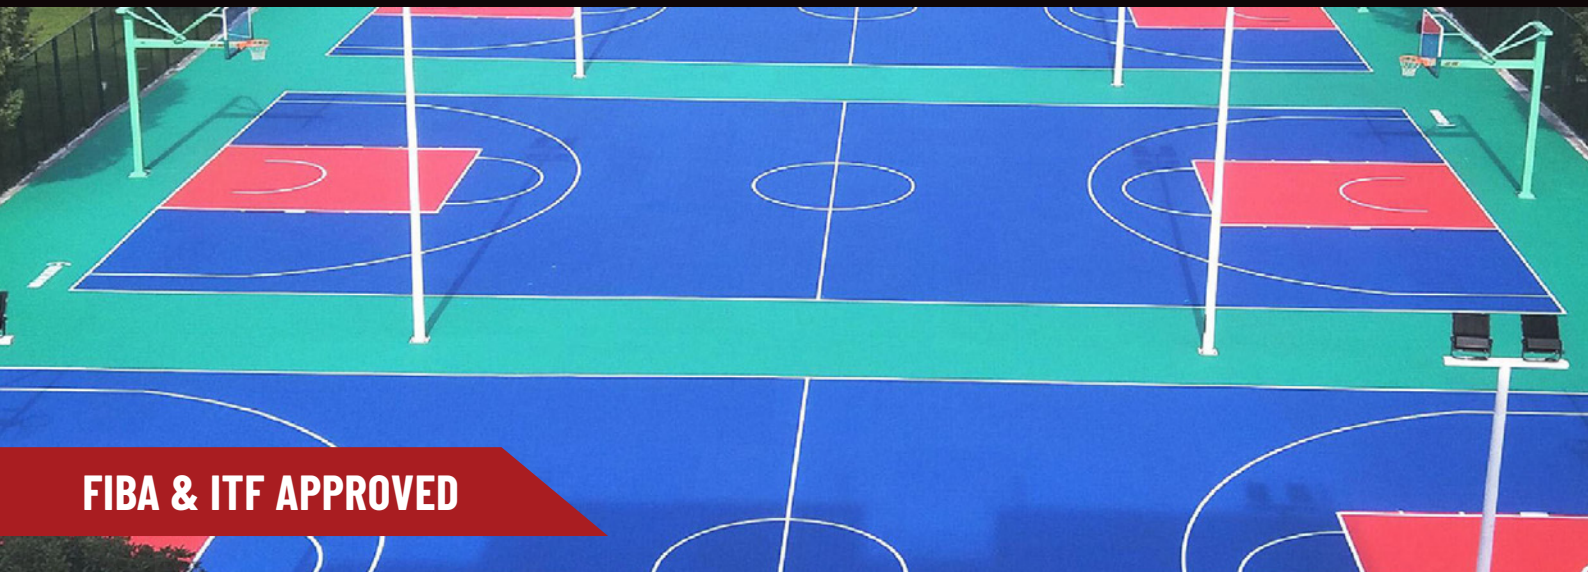

FIBA and ITF approved, the All Round 1 is designed with unique small unit soft connection block structure. This innovative tile system enhances the court's adaptability to the ground, significantly reducing the effects of thermal expansion and contraction. As a result, it maintains exceptional stability in varying weather conditions, ensuring consistent performance throughout the year.

The All Round 1 is ideal for a wide range of sports, providing a reliable and durable surface that can handle the demands of both high-impact activities and casual play.
